Regulations Falling Under the Authority of Agriculture

576.110	Alternative Livestock Defined	The Department of Wildlife is working with the Department of Agriculture on NAC chapters that affect both agencies. NAC 576 are chapters managed under Agriculture's authority and relate to cervids and alternative livestock. There is currently a restriction on importation of cervids into Nevada and these regulations are in contradiction to that restriction.	Removal	NDOW/NDA

Removed from Consideration by the Committee

502.0097	Definition of "apprentice hunter"	The Department would like to request of the Committee to remove the following five regulations from consideration and leave them intact as is. After further discussions and hearing the Committee's deliberation from the previous meeting, it was determined that the apprentice and mentor hunter program needed a larger discussion of the Commission and public. A hearing of this program under the current Executive Order would not be the proper place to allow for timing and deliberation.	Removal	NDOW	Remove from Consideration
